

**Introduction of New Services in North-Eastern States**

3105. SHRI ONWARD L. NONGTDU: Will the Minister of CIVIL AVIATION be pleased to state:

- (a) whether Government propose to introduce new flights for Patna-Guwahati and other North-Eastern States;
- (b) if so, the details thereof;
- (c) whether existing flights on these routes are insufficient; and
- (d) if so, the steps being taken or proposed to be taken by Government to increase the number of flights on these routes?

THE MINISTER OF CIVIL AVIATION (SHRI SHARAD YADAV): (a) to (d) At present no scheduled airline is operating air services on Patna-Guwahati. However, a schedule of airline operations in the North East is enclosed as Statement. (See below).

With a view to achieve better regulation of air transport services and taking into account the need for air transport services of different regions in the country, Route Dispersal Guidelines have been framed which, *inter alia*, stipulate that all scheduled operators will deploy in the North East, Jammu & Kashmir, Lakshadweep Islands and Andaman and Nicobar Islands (Category-II routes), at least 10% of their capacity deployed on Trunk Routes (Category-I routes)

Airlines are free to provide air services to specific places depending upon the traffic demand and commercial viability subject of course to compliance with the Route Dispersal Guidelines.
